Greetings,

No one ever wants to have an emergency, but when the unthinkable happens you need your local Fire Department to be ready, capable and on their way! We at the District 20 Fire Protection Association along with the Fire members want to offer the people in our community exactly that. Our Annual Fundraiser consists of a great Roast & Auction, and for close to two decades has been a resounding success! It is a “sure fire” way to ensure the Champion Fire Department is ready for any emergencies!

This year we are featuring Bison and Beef Prime Rib with all the trimmings, which will be followed up with the auctioneering of Ryan Fleetwood. Happening every November, this is a staple event in the Village of Champion, that few want to miss! This event wouldn't be so successful without the support of our network and community, like you. Your company can be of great assistance by donating, and there are a couple of ways to do that. The first is financial assistance to help cover the cost of food or auction items. The second is by donating goods or services from your business, which is a great way to get your business name in front of the whole community at one time. Either of these methods help ensure emergency services are ready when needed. The deadline for donations is October 28th, 2022.

Feel free to contact the person that gave you this letter or any Champion Fire Department member to donate or for tickets to the event. (\$30 per person, 12 and under Free) The Annual Fundraiser takes place on Saturday, November 5th this year, at the Champion Community Hall, with doors opening at 4:30pm. We very much appreciate you, and your continued commitment to the Champion Fire Department.

If you have questions with regards to the department or this important event feel free to call 403-423-0194, email us at championfiredepartment@gmail.com, or check us out on Facebook.

Thank you in advance for your support.
