## COUNCILLOR REPORT

Councillor activities and updates for July 2024.

- The July edition of “Notes from Council” is on my website:  
<https://christophernorthcott.com/category/notes-from-council/>
- Attended the Regular Meeting of Council on July 10<sup>th</sup>.
- Met with McGregor Pointe landowners on July 7<sup>th</sup> with Councillor Nelson to have conversation about area specific standards of development.
- Attended Calgary Stampede BMO Farm Family Award on July 8<sup>th</sup> with Councillor Nelson to accompany the Godkin Family.
- Attended District 20 (Champion) Fire Association meeting in Champion on July 18<sup>th</sup>. Planning annual fundraiser in October with pulled pork supper and auction.
- Met with Reeve Schneider, Nels Petersen and Deanna Heather regard enforcement of Weed and Soil Acts.
- Met with Municipal Development Plan Committee on July 25<sup>th</sup>. We worked through as much of the draft as possible and will reconvene in late September.
- Attended Building Committee Road Tour, County of Forty Mile & MD of Taber. Was really impressed by both facilities, however, I like how County of Forty Mile handled their project as an evolution and some important design elements that they seemed to have gotten right. They were very forthcoming with what they thought they didn't get right. Adding more notes and lots of pictures to the committee share files.

Constituent Matters: Received some complaints regarding weed control and soil erosion that increases costs on adjacent lands. Met with Reeve and Administration to discuss and they were working toward some kind of resolution. Wondering if it might be helpful if we tighten up our own policy regarding the application of provincial legislation and how we will address enforcement when more than one Act is applicable to a file.

Want to thank Administration for their recent contributions to a Lions Youth Exchange Tour.
